

November, 2009

Dear Friends,

Thanks to you and the generosity of our donors in 2009, Leavitt's Mill Free Health Center was able to continue to fulfill its mission of providing quality healthcare to those in our community without insurance.

Unfortunately, economic uncertainties continue. With unemployment rising, more families are losing their healthcare insurance. As we enter our seventh year, the board of directors has seen a dramatic increase in the demand for services in the latter half of 2009 and reaches out to you again for help.

Leavitt's Mill Free Health Center provides a range of services from preventive screenings to physical exams, dental hygiene to social services on a "donation only" basis to people without health insurance.

We achieve this miracle through the collaborative efforts of our dedicated staff, volunteers, students and interns, healthcare providers, and donors. With your support, we were able to move into a new and larger facility in 2009, improving the delivery of care.

Our staff and volunteers have risen to the task of increased demand, but we have reached an impasse. With the increase in demand for services, we need to increase our budget and availability, with a full-time staff and expanded hours in 2010.

We are funded solely by grants, and the generous donations of people like you. We do not receive one penny from insurance. Your support is now even more important.

*This year, Leavitt's Mill Free Health Center needs to raise an additional \$25,000, annually, to meet the increased demand for services and provide the basic, high quality healthcare that everyone in our community deserves.*

We need your help. Please consider a contribution to Leavitt's Mill Free Health Center. It may reduce your taxes and goes straight into your local community.

On behalf of the clients, the staff and volunteers of Leavitt's Mill Free Health Center, the Board of Directors thanks you for your consideration and support.

The Board of Directors

**Volunteer Board of Directors 2009**

Paul Hitchcox  
President

Patricia T. Leavitt, MS, FNP  
Executive Director

C. Alan Beagle, Esq.  
Secretary
